

Oversized Hoodie

Product Description:

- Makes for a Great Gift: It's the perfect birthday, Christmas, best friend or anytime gifts for women and men. The Comfy Original wearable blanket screams out gifts for mom, gifts for her, gifts for girlfriend, gifts for teenage girls, girlfriend gifts, gifts for grandma, gifts for wife, cool gifts, gifts for sister and so much more!
- Fun and Functional: We're the brand that launched a world-wide craze and made wearing your blanket a thing. The Comfy Original wearable blanket is the world's first of its kind letting you stay warm and cozy wherever you are: watching TV, playing video games, working on your laptop, camping, attending a sporting event or concert, & more.
- Extreme Comfort & Luxury Material: Pull your legs into the plush fluffy sherpa to cover yourself completely on the couch, roll the sleeves up to make yourself a snack, & move around freely while taking your warmth wherever you go. Don't worry about slipping or sliding sleeves. It doesn't drag on the floor either. It's double layered with luxurious fleece microfiber on the outside and premium fluffy sherpa on the inside.
- Oversized Everything: It's giant, and it's supposed to be! We started with a men's 5XL and have only gone bigger from there. With a huge plush hood, pocket, oversized sleeves and a high-low hem, The Comfy is like being hugged by a cloud! Bring it to the next outdoor barbeque, camping trip, beach, drive-in, sleepover or wear it to school! Now you can wear your blanket anywhere!.
