

Racing Boot

- Split grain leather Construction
- Water resistant
- Articulated ankle design for added mobility
- Double Stitched Construction
- Reinforced ankle for increased lateral rigidity for increased protection

[Read More](#)

SKU: RB-30014

Price:

Categories: [MotorBike Garments](#), [Racing Boot](#)

Product Description

- Split grain leather Construction
- Water resistant
- Articulated ankle design for added mobility
- Double Stitched Construction
- Reinforced ankle for increased lateral rigidity for increased protection

Racing Boot

- - Split grain leather Construction
 - Water resistant
 - Articulated ankle design for added mobility
 - Double Stitched Construction
 - Reinforced ankle for increased lateral rigidity for increased protection
